

Kayla: College Student

- * Pregnant after contraceptive failure during hookup with David
- * No interest in relationship with him
- * Worries pregnancy would ruin college and career plans

David: College Student

- * Got Kayla pregnant due to contraceptive failure
- * Little interest in relationship with Kayla, but against aborting
- * Mother has learned of the pregnancy and offered to raise child

Dr. Patel: OBGYN

- * Lives and practices in a state with strict anti-abortion laws
- * A patient's UDH has ceased developing (heartbeat stopped), and wants to remove for the mother's physical and mental health, but state deems this illegal

Reverend Jones: Pastor

- * Teaches congregation to oppose abortion for any reason
- * Daughter Kayla pregnant due to contraceptive failure – now privately conflicted on how to advise her in light of college and career plans

Sarah: Stay at Home Mother

- * In her 30s now, regrets an abortion she had as a teenager, but wants women to have the power to decide for themselves

Tasha: Retail Worker

- * Pregnancy threatens health, but not life
- * Lacks health insurance or income to support a child
